D	Attendance rates for PP children average 95.4% (Autumn 1 2020). The average attendance figure for All pupils is 96.1% (Autumn 1 2020). This excludes all Covid related absences. While ill health accounts for a proportion of this absence, other factors, including CP issues, low parental engagement, transport/ distance problems also contribute to this figure. This reduces the number of hours in class and raises the potential to fall behind.
