

Key Stage 2 Newsletter Summer 2

The second half of the summer term is well under way and everyone is enjoying the (slightly) better weather and longer days. Please make sure, however, that children come to school prepared for unsettled weather with coats to wear on the playground.

There are many interesting learning experiences planned for the rest of this term: a visit to Chiltern Open Air Museum; a trip to the Roald Dahl museum; and a visit from a travelling theatre group. Please make time to talk to your children about what they are learning during these experiences and in their lessons.

Do make a note of upcoming dates for sports days and other school events – it's going to be a busy final half term!

Miss Wilson

Year Six

As I write this newsletter, we are all looking forward to the Shakespeare workshop on Thursday. We hope to be able to use the experience to inform another piece of writing. Later this term, we will begin looking back over your children's time at Castlefield and think about their memories which we will put together for the end of year 6 production. Please remember to send your children's PE kit into school on a Monday and remind them to bring it home for washing over the weekend. We will continue to make use of Google Classroom this term to set English and Topic homework (all of the children have been given a paper copy of the topic homework). The topic homework involves the children making a board game based on volcanoes; the best board game will be chosen nearer the end of term. The maths challenge will continue to be handed out on a Monday. Please continue to support your children with their homework to help prepare them for their new schools in September.

Miss Johnson (Year Six Leader), Mr Bishop, Mr Reid, Miss Magrath and Miss Wilson
