Newsletter - April 2021

Dear Parents,

Welcome back to the Summer term. It was lovely to see the children coming back into school on Monday, so eager to learn and well rested. I hope you have all had an enjoyable Spring holiday and have begun to take advantage of some of the freedoms offered to us by the easing of COVID measures.

رمضان مبارك

To all families celebrating Ramadan at the moment, from all at Castlefield School, we would like to wish you a peaceful and fortuitous month.

Celebrating Learning

Year 4 Clean-up team

Coming to school with the right things

There are an increasing number of children who are not coming to school with the things they need. Please ensure your child has their:

- Lunch box
- Reading record and homework
- PE kit (if not already in school)

Before they walk through the gates in the morning.

COVID

*Castlefield (the area) still has a higher infection rate than other areas, nearly **four and a half times the Buckinghamshire average**.*

To protect staff and children, it is really important that you continue to play your part in reducing the spread of Corona. Please ensure you are not visiting other households indoors and if your child is in school make sure you are **socially distanced** from each other and **wear a mask** (unless exempt) when dropping off and collecting your children.

Year 5 Dissecting flowers

Cleaning up the woods

Well done to our Year 4 team of litter pickers, who, before the holidays, helped the Children Rangers to clear up the litter and fly-tipping in the woods behind the school.

Year 6 Roasting Marshmallows in Learning for Life

Important Dates:

Keep checking the website for any changes and new activities going on in school, including some great examples of work and learning.

www.castlefieldschool.co.uk

If you **follow us on Facebook (Castlefield School, High Wycombe)**, you will see photographs and posts about the learning and fun activities that happen around the school.
