

Pupil Premium Strategy

2019-2020 - Reviewed

What is the pupil premium?

The pupil premium is additional funding that has been provided by the government to support the most economically disadvantaged children who have been registered to receive free school meals in the last 6 years, children who have been adopted from care or who have left care, and ever 6 service children.

Pupil Premium Allocation for 2019-2020

For the financial year April 2018- March 2019, the amount PPG awarded to the school was £212,000. For the financial year April 2019 – March 2020, the amount PPG awarded to the school is £223,080. It is expected to remain a similar figure for the following financial year.

	Rec	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Total
No of ch in each year group	61	49	65	68	92	78	73	486
No of children eligible for PP	4	14	21	26	35	26	25	147 (exc Rec) 34%

1. Current Attainment (2019 results)						
	Pupils eligible for PP	All pupils (school)				
% achieving ARE (Age Related Expectations) at the end of Key Stage 2 in the combined measure of Reading, Writing and Maths	63	65				
Reading: % achieving ARE at the end of KS2	67	66				
Writing: % achieving ARE at the end of KS2	87 (S) 83 (TA)	88 (S) 85 (TA)				
Maths: % achieving ARE at the end of KS2	90	89				
Reading: Progress measure across KS2	TBC	TBC				
Writing: Progress measure across KS2	TBC	TBC				
Maths: Progress measure across KS2	TBC	TBC				

2. Barr	2. Barriers to future attainment (for pupils eligible for PP)				
In-scho	ol barriers				
Α	61.4% of PP children do not have English as a first language				
В	30.4% of PP children have SEN				
Externa	l barriers				
С	Certain external influences on children hinder their readiness to learn.				
D	Attendance rates for PP children average 97.2% (Autumn 1 2019). The average attendance figure for All pupils is 97.3% (Autumn 1 2019). While ill health accounts for a proportion of this absence, other factors, including CP issues, low parental engagement, transport/ distance problems also contribute to this figure. This reduces the number of hours in class and raises the potential to fall behind.				

3. Des	ired Outcomes	Success Criteria		
А	Develop pupils' language capability to support their reading and writing	Progress of pupils in English is greater than ALL		
В	PP children with SEND needs have specially targeted support to close gaps and make rapid gains in their learning	Progress of PP children with SEND meet or exceed expected targets		
С	Improved English language skills for all PP children, especially those with EAL	Progress made by EAL PP pupils is in line with EAL ALL pupils.		
D	Reduce external barriers to learning through focussed pastoral and parental support	PP children are in a frame of mind conducive to learning		
E	Attendance rates of PP children will increase	Attendance rates of PP children will rise to be in line with other children		

4. Planned e	xpenditure

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review
			·		implementation?
Develop pupils' language capability to support their reading and writing	Use of TA to provide language support during whole class teaching during core and literacy based lessons	Purposeful speaking and listening activities support the development of pupils' language capability and provides a foundation for thinking and communication. EEF indicates this is a high impact approach (+6 months) for very low cost based on extensive evidence (EY Toolkit)	 Learning walks Class teacher Year/phase leader monitoring Planning documents SMT/SLT 	SLT Year leaders Class teachers	Interim reviews on termly basis Final review in July 2020 Lesson observations and learning walks evidence that this is in place in most lessons
PP children with SEND needs have specially targeted support to close gaps and make rapid gains in their learning	Small, focussed reading booster groups, with a trained adult	Reading levels at the end of KS2 are lower than writing/maths. EEF identifies oral language intervention as having moderate impact (+5 months) for a low cost.	 Reading training for all teachers and TAs INSET day time Literacy leads, Phase and year leaders to provide guidance and support for colleagues 	English coordinators SENDCO	Interim reviews on termly basis Final review in July 2020 This was implemented during the autumn and spring term. It was picked up again towards the end of the summer term tern due to the

Improved English language skills for all PP children, especially those with EAL	Effective feedback (oral and written)	Research (EEF) suggests when feedback is specific, accurate and clear; when it encourages and supports further effort; when it provides specific guidance on how to improve, it shows very high effects (+8 months) on learning.	 Inset on feedback Regular monitoring of progress rates and quality of teaching by leaders. Including: planned and unplanned observations Learning walks Book scrutiny Progress data Planning monitoring 	Teachers Year & phase leaders Subject co- ordinators SLT/SMT	organisation of pupils and staff during the end of lockdown school. Interim reviews on half-termly basis July 2020 Ongoing The good work that was established prelockdown is being put to use again.

Reduce external barriers to learning through focussed pastoral/ parental support		Parents are children's first educators and engagement with them is a big part in successful intervention programme. Sensitive and empathetic working with parents can move children forward at a much faster rate.	•	Planned parental sessions across all phases Resources shared with 'new' EAL parents Focussed engagement of PP parents between class teachers and target parents		Interim reviews on termly basis Final review in July 2020 Regular (weekly) contact with families during lockdown was a powerful tool in maintaining engagement with school.
Reduce external barriers to learning through focussed pastoral/ parental support	Safeguarding and Welfare Officer to support internal pastoral care and coordinate external agencies supporting PP and other pupils. Teaching staff to communicate candidly with parents regarding progress and barriers to learning.	Parents play a crucial role in supporting their children's learning, and levels of parental engagement are consistently associated with children's academic outcomes. Schools and early years settings can support parents to engage with their children's learning in a wide range of ways, for example, by: • providing regular feedback on children's progress, • offering advice on improving the home learning environment, and • running more intensive programmes for children	•	Formal and informal communication/ progress updates between parents and staff including discussion around the home learning environment.	Safeguarding and Welfare Officers Year Leaders	Interim reviews on termly basis Final review in July 2020 Contact during lockdown, including distanced home visits by senior staff and welfare officer added to maintaining engagement of families with school.
