SCIENCE NETWORK**

Teaching Working Scientific Skills - Tracy Tyrrell

Date: Tuesday 3rd November 2026

Time: Arrive at 3:45pm for a prompt 4pm start.

Finish at 5pm.

Location: Castlefield School, The Middleway, High Wycombe,
HP12 3LE

Led by acclaimed author Tracy Tyrrell, this practical CPD session focuses on demystifying "working scientifically." Drawing directly from her ASE resource, Tracy will share proven strategies to explicitly teach, model and assess core inquiry skills across KS1 and KS2, ensuring progression and confidence for every learner.

Don't miss this incredible opportunity to embed working scientific skills at no cost to your school.
