

The High Wycombe Science Network is your local hub for inspiring, practical primary science.

Led by an award-winning PSTT Fellow at Castlefield School, we bridge the gap between curriculum demands and brilliant classroom practice.

What's in it for you?

- Termly Meetings: Connect with peers (in-person & remote) to share proven resources and strategies.
- Expert CPD: Access targeted training from science specialists to boost subject knowledge.
- Bespoke Support: Tailored guidance packages designed for your school's unique goals.
- Join Today: Free membership is currently open to Science Leaders, ECTs and Primary Teachers.

Secure your spot before fees apply!
